## Terms and Conditions

The Generator Statistical Digest 2020 (**GSD2020**) has been prepared by Global-Roam Pty Ltd (ABN 31 091 533 587) and Greenview Strategic Consulting Pty Ltd (ABN 54 607 251 338) (the **Authors**).

The Authors will supply the Customer listed overleaf (**Customer**) with the following (depending on the option chosen overleaf):

- **GSD2020 Report PDF** = one copy of the GSD2020 in hard copy and in an electronic PDF format chosen by the Authors; and/or
- **GSD2020 Data Extract** = the data behind the majority of the tables and charts in the GSD2020, assembled in TSV format.

The Authors retain copyright in the GSD2020 and assert their moral rights to its contents.

The Authors:

- transfer ownership of any supplied hard copy GSD2020 Report; and/or
- provide a worldwide, perpetual, non-exclusive, non-transferable license to the GSD2020 Report PDF (and/or the GSD2020 Data Extract), to the Customer for the purposes of the Customer's reference and internal use in their business or undertaking. The Customer may not republish, reproduce, or sub-license the GSD2020 or any part of it for use by or to a third party without the express written consent of the Authors.

## Content Limitations

The Authors have, in preparing the GSD2020, compiled, utilised and relied on information published by National Electricity Market Management Company Limited (**NEMMCO**), Australian Energy Market Operator Limited (**AEMO**) and other public sources, between 1 January 2011 until and including 31 December 2020.

The information contained in the GSD2020 is historical in nature, is necessarily incomplete and human error is possible in the publication, compilation and interpretation of the data on which the GSD2020 relies. The information on which it is based was not prepared for the purposes of the analysis contained in the GSD2020 and has not been independently verified by the Authors. Some of the calculations in the GSD2020 are the product of the analysis and judgement of the Authors, and it is possible that that analysis and those judgements, while made in good faith, are incorrect.

The Authors make no representation as to any future matter. No representations or warranties are, or will be, made by the Authors as to the accuracy or completeness of statements, assumptions, estimates or other information contained in the GSD2020.

The behaviour of individual generators may have been influenced by factors including market conditions expected market conditions, network and operational constraints, weather, changes in ownership, the portfolio position and trading policies of generators, individual contractual obligations, regulatory changes and the judgement of traders.

The GSD2020 is for use solely by its subscribers, who must make their own assessments of the relevance or otherwise of the material contained in it for the purposes of their own businesses and decisions. That assessment is at their sole risk, and must be supported by their own independent investigations.

The Authors assume no obligation to inform any subscriber of any matter of which it subsequently becomes aware which may render inaccurate or misleading (including by omission) any information contained in the GSD2020.

The Authors are not liable for any statements, opinions, information or matters (express or implied) arising out of, contained in or derived from, or for any omissions from, or failure to correct any information in this the GSD2020, or any other written or oral communications transmitted to any subscriber to the GSD2020, or as a result of any action taken by any subscriber.

**Limitation of liability.** To the extent permitted by law, the liability of the Authors is also limited to an amount equal to the purchase price of the GSD2020.
