Purchase Information

We're planning to develop the *Generator Insights 2021* (GenInsights21) - an update of the 180-page analytical component of the Generator Report Card 2018.

We envisage that GenInsights21 will be released sometime in Q3 2021 and will contain detailed written analysis on the state of generation in the NEM and explore other aspects of the energy transition.

Further information about our plans for GenInsights21 is available here:
