Generator Report Card 2018

Produced by: Greenview Strategic Consulting & Global-Roam Pty. Ltd.

Terms and Conditions of Supply

The Generator Report Card (**GRC**) has been prepared by Global-Roam Pty Ltd (ABN 31 091 533 587] and Greenview Strategic Consulting Pty Ltd (ABN 54 607 251 338) (the **Authors**).

The Authors will supply the Customer listed overleaf (**Customer**) with one copy of the GRC in hard copy and in an electronic format chosen by the Authors.

The Authors retain copyright in the GRC and assert their moral rights to its contents.

The Authors:

- transfer ownership of the supplied hard copy GRC; and
- provide a worldwide, perpetual, non-exclusive, non-transferable licence to the electronic copy of the GRC, to the Customer for the purposes of the Customer's reference and internal use in their business or undertaking. The Customer may not republish, reproduce, or sub-licence the GRC or any part of it for use by or to a third party without the express written consent of the Authors.

Content limitations

The Authors have, in preparing the GRC, compiled, utilised and relied on information published by National Electricity Market Management Company Limited (**NEMMCO**), Australian Energy Market Operator Limited (**AEMO**) and other public sources, between 1 January 1999 until and including 31 December 2018.

The information contained in the GRC is historical in nature, is necessarily incomplete and human error is possible in the publication, compilation and interpretation of the data on which the GRC relies. The information on which it is based was not prepared for the purposes of the analysis contained in the GRC and has not been independently verified by the Authors. Some of the conclusions in the GRC are the product of the analysis and judgement of the Authors, and it is possible that that analysis and those judgements, while made in good faith, are incorrect.

The Authors make no representation as to any future matter. No representations or warranties are, or will be, made by the Authors as to the accuracy or completeness of statements, assumptions, estimates or other information contained in the GRC.

The behaviour of individual generators may have been influenced by factors including market conditions expected market conditions, network and operational constraints, weather, changes in ownership, the portfolio position and trading policies of generators, individual contractual obligations, regulatory changes and the judgement of traders.

The GRC is for use solely by its subscribers, who must make their own assessments of the relevance or otherwise of the material contained in it for the purposes of their own businesses and decisions. That assessment is at their sole risk, and must be supported by their own independent investigations.

The Authors assume no obligation to inform any subscriber of any matter of which it subsequently becomes aware which may render inaccurate or misleading (including by omission) any information contained in the GRC.

The Authors are not liable for any statements, opinions, information or matters (express or implied) arising out of, contained in or derived from, or for any omissions from, or failure to correct any information in this the GRC, or any other written or oral communications transmitted to any subscriber to the GRC, or as a result of any action taken by any subscriber.

Limitation of liability. To the extent permitted by law, the liability of the Authors is also limited to an amount equal to the purchase price of the GRC.
